

# Wallaby Self-Service Stands

For Point of Sale or Self-Service Application

**Flexible & Configurable**

**3-Year Warranty**

**Commercial Grade**

## Product Overview

Wallaby Self-Service Stands are available in two configurations - countertop or floor mounted, both help to simplify installation of interactive experiences in public, high-traffic environments. The sleek, space-saving stands are designed to house a touchscreen, a variety of peripherals, an expansion module and a standard 3" printer in a secure, cable free installation.

By introducing these products into settings where engagement is essential, companies can create a unified approach to any customer experience in point of sale and self-service including applications for endless aisle, price verification, loyalty programs, brand experience, fitting rooms, patient check-in, time clock applications and more. With the Wallaby stands, you can now "stand up" a 15 inch to 22 inch Windows or Android based self-service touchscreen solution with ease, complete with payment and printing capabilities.

### Compatible Peripherals
