

CUSTOM
CONNECT self-service stand

INTRODUCING CONNECT

An innovative and multifunction stand.

Equipped to support a variety of touch computers, payment devices, and printers.

Easily configured for floor and counter use.

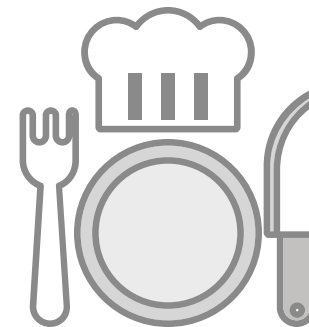

MARKETS

CONNECT is a versatile and modular solution to satisfy customer requests in self-order and self-checkout. Its design is rugged yet stylish, making it the ideal option for both attended and unattended applications.

BENEFITS

Here's how **CONNECT** can improve your business and make your workflow more efficient.

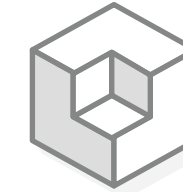

COMPACT & STYLISH

Sleek, space saving design delivers self-service functionality to any indoor environment

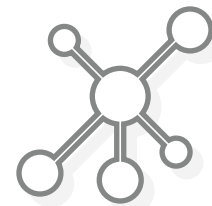

VERSATILE

Deploy on a countertop or as a floor standing kiosk in either portrait or landscape orientation

MODULAR

Works with any VESA-ready Touch Computer from 15" to 23.8"

CONFIGURABLE

Adapt to any need by adding a printer, payment device, barcode scanner and more

SIMPLE

Easy to assemble, install and maintain

CONNECT AT A GLANCE

CONNECT is designed with maximum flexibility in mind.

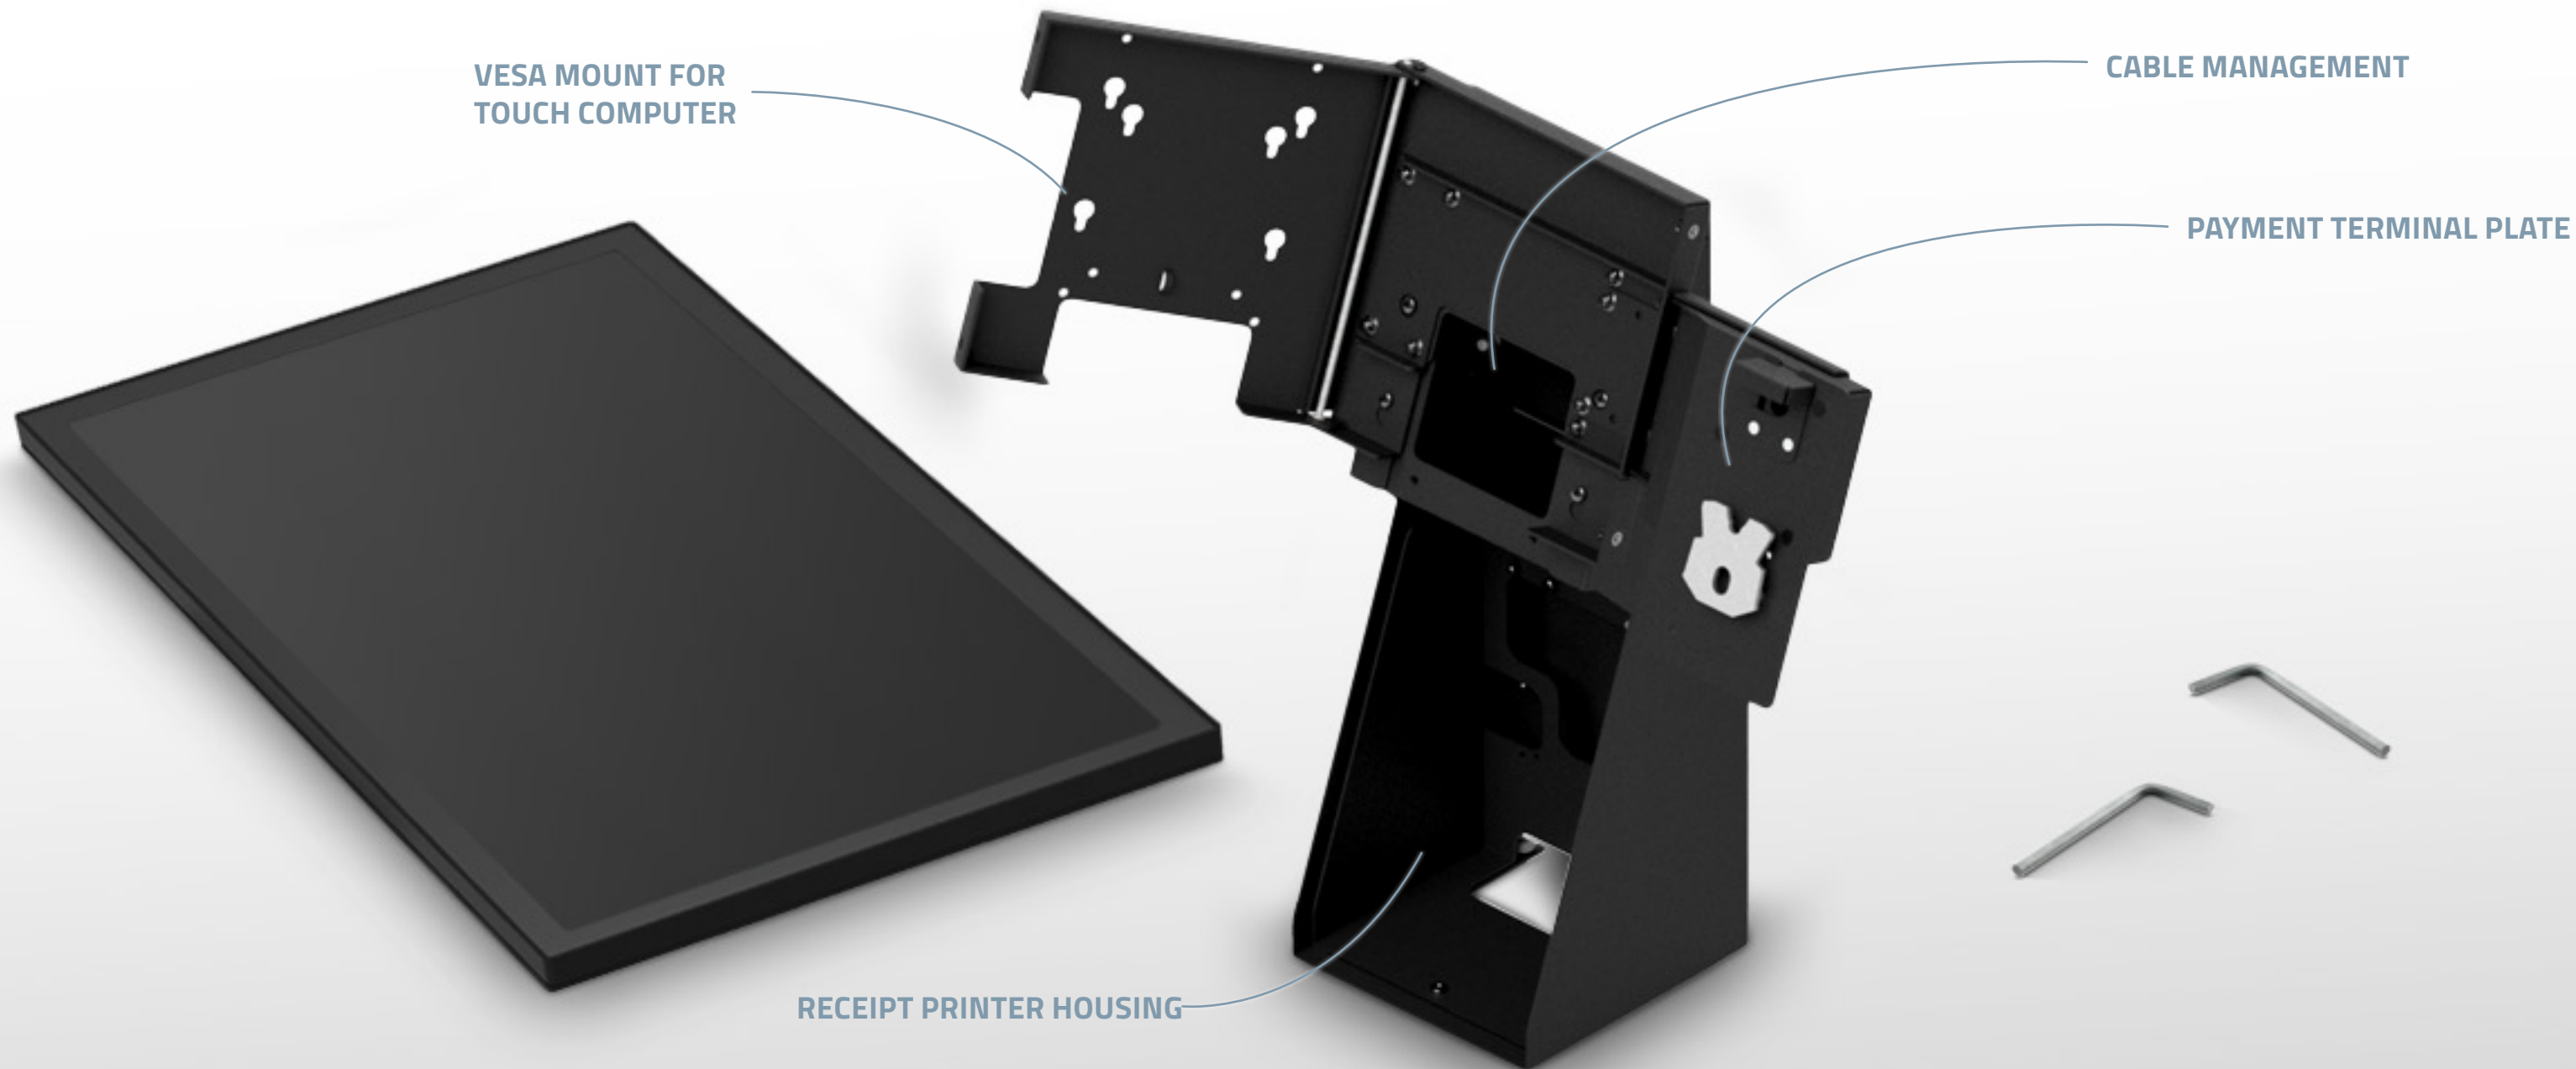

The chassis includes a VESA mounting plate for a touch computer, a compartment to house a thermal printer and a series of optional brackets for your accessories.
